Dear Mr. Smith:

This letter acknowledges receipt on June 30, 2010, of your letter dated June 30, 2010, in which you requested withdrawal of your 9 VAC 5-80 Article 7 (case-by-case MACT) permit application. The MACT application was submitted to us on February 10, 2009. You indicated in the letter that withdrawal was requested for procedural reasons and that submission of a new Article 7 application would be forthcoming. Data gathered by the U.S. EPA for development of the Utility MACT should be considered in developing a new Article 7 application for the facility. Utility MACT data may be found at [www.epa.gov/ttn/atw/utility/utilitypg.html](http://www.epa.gov/ttn/atw/utility/utilitypg.html).

We consider the February 10, 2009 Article 7 application withdrawn and we will take no further action on that application. If you have any questions concerning this matter, please contact Tamera Thompson at (804) 698-4502, Patricia Buonviri at (804) 698-4016, or me at (276) 676-4835.

Sincerely,

*Bruce Mullins*
